## WHAT IS THIS PRODUCT?

**Type:** Seilern Europa (the "Fund") is a sub-fund of Seilern International Funds PLC, an investment company with variable capital incorporated with limited liability in Ireland with registered number 330410 and established as an umbrella fund with segregated liability between sub-funds and as an undertaking for collective investment in transferable securities pursuant to the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011, as amended. Segregated liability between sub-funds means that the assets and liabilities of each sub-fund are segregated by law. The prospectus and periodic reports are prepared for Seilern International Funds PLC at umbrella level. You may switch your shares in the Fund to shares in other sub-funds in which you are eligible to invest. Further information is available from Brown Brothers Harriman Fund Administration Services (Ireland) Limited.

**Objectives:** The Fund seeks to achieve growth of your investment by investing mainly in shares (equity) and similar securities issued by high quality companies listed on the stock exchanges of European countries within the Organisation for Economic Co-operation and Development (OECD).

The Fund will seek to invest in large, successful companies with proven track records and high predictability of future earnings growth. Such companies generally will have most or all of the following characteristics: (i) multinational businesses including exposure to the fast growing economies of the world; (ii) steady, non-cyclical demand for their products or services; (iii) superior earnings growth records over the last ten years; (iv) global branded products or services often sought after by developing market consumers; (v) the potential for long term consistent earnings growth; (vi) high returns on equity reflecting a technological advantage over their competitors or uniqueness of their products or services; (vii) dynamic management; and (viii) internal resources sufficient to finance their global development and maintain their competitive position. The Fund will not concentrate its investment in any one industry sector or country.

The Fund is actively managed and the MSCI Europe TR Index is the benchmark index against which the Fund's performance is compared. There can be no guarantee that the Fund's performance will match or exceed the performance of the benchmark index. While a proportion of the Fund's assets may be components of (and have similar weightings to the index), the Investment Manager may use its discretion to invest a significant proportion of the Fund in assets which are not included in the benchmark index or with weightings different to that of the benchmark index.

The Fund promotes a combination of environmental and social characteristics amongst others (and as such discloses information in accordance with Article 8 SFDR) The Fund does not have sustainable investment as its objective.

**Hedging:** The Sterling Class shares are denominated in Sterling (GBP) and are hedged. The base currency of the fund is Euro (EUR). The fund will enter into currency hedging in relation to this share class which aims to protect investors from movements in the GBP exchange rate in relation to the fund's assets denominated in currencies other than GBP.

You may redeem your shares on any working day on which retail banks are open for business in Dublin ("Business Day") by submitting your request to the administrator by 12.00 p.m. (Irish time) on the Business Day before a Dealing Day on which you wish to redeem. The Fund may declare dividends. If a dividend is declared, it will normally be paid by electronic transfer in March following the end of the prior financial year on 31 December.

**Intended Retail Investors:** This Fund is suitable for all investors seeking a fund that aims to deliver capital appreciation over a long-term investment horizon with a high level of risk. The investor should be prepared to bear losses.

**Term:** The Fund has no maturity date. Seilern International AG is not entitled to terminate the Fund unilaterally nor can the Fund be automatically terminated.

**Depository of the Fund:** Brown Brothers Harriman Trustee Services (Ireland) Limited.

Copies of the prospectus, the latest annual and half-yearly reports and application forms may be obtained in English free of charge from the registered office of Seilern International Funds PLC by contacting the Administrator, Brown Brothers Harriman Fund Administration Services (Ireland) Limited, 30 Herbert Street, Dublin 2, Ireland or by contacting Seilern International AG, 2 OG-Austrasse 9, 9490 Vaduz, Principality of Liechtenstein.

## WHAT ARE THE RISKS AND WHAT COULD I GET IN RETURN?

### RISK INDICATOR

The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movements in the markets or because we are not able to pay you.

1	2	3	4	5	6	7
---	---	---	---	---	---	---

←-----→

Lower Risk, Typically lower rewards                      Higher Risk, Typically higher rewards

**The risk indicator assumes you keep the product for 5 years. The actual risk can vary significantly if you cash in at an early stage and you may get back less. You may not be able to sell your product easily or you may have to sell at a price that significantly impacts on how much you get back**

We have classified this product as 4 out of 7, which is a medium risk class. This rates the potential losses from future performance at a medium level, and poor

market conditions could impact our capacity to pay you.

The Fund is subject to the following Risk Factor (without limitation):

- Hedging risk: The Fund may use derivatives for hedging purposes. The use of such derivatives may be unsuccessful.

This product does not include any protection from future market performance so you could lose some or all of your investment.

## WHAT HAPPENS IF SEILERN INTERNATIONAL AG IS UNABLE TO PAY OUT?

Although the assets of the Fund are held in safekeeping and are segregated from the own assets of the Management Company or of the Depositary, in the event of the insolvency of either of those providers, you may suffer a financial loss. There is no compensation or guarantee scheme in place which may offset, all or any of, this loss.

## WHAT ARE THE COSTS?

The person advising on or selling you this product may charge you other costs. If so, this person will provide you with information about these costs and how they affect your investment.

### COSTS OVER TIME

The tables show the amounts that are taken from your investment to cover different types of costs. These amounts depend on how much you invest, how long you hold the product and how well the product performs. The amounts shown here are illustrations based on an example investment amount and different possible investment periods.

We have assumed:

- In the first year you would get back the amount that you invested (0% annual return). For the other holding periods we have assumed the product performs as shown in the moderate scenario.
- GBP 10,000 is invested.

Investment 10,000 GBP Scenarios	If you exit after 1 year	If you exit after 5 years
Total Costs	619 GBP	1,601 GBP
Annual Cost Impact (*)	6.2%	2.3% each year

(\*) This illustrates how costs reduce your return each year over the holding period. For example it shows that if you exit at the recommended holding period your average return per year is projected to be 9.77% before costs and 7.47% after costs.

We may share part of the costs with the person selling you the product to cover the services they provide to you. They will inform you of the amount.
